## 8 The Consequences of the Rapture

By Ernst Kraft

Every day we draw a step nearer to the Rapture. Often, however, we lose sight of our glorious future and become entangled in earthly cares and troubles. We have every reason to rejoice, though, and it is of immense importance that we prepare ourselves for the meeting with the Lord Jesus.

## 17 The Great Divide

By Daniel Peek

It has been a token piece of conventional wisdom that Jesus was entirely rejected by the Jewish people. This "fact" has been taken at face value and repeated for so long that it bears investigation, namely for the following reason: if Jesus had been so completely ignored by His people, why does His name cause such consternation and emotion among the Jews?

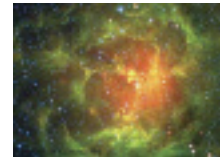

## 27 Money: Ends and Trends

### Global Financial Apocalypse Prophesied

By Wilfred Hahn

North Americans have certainly suffered economic hardships as a result of the still-unfolding effects of the Global Financial Crisis. Is it over? Are other global financial crises to be expected in the future? Where will one find security? People today are indeed confused and anxious...though they shouldn't be according to Scripture.
