8 **Hear the Word of the Lord**

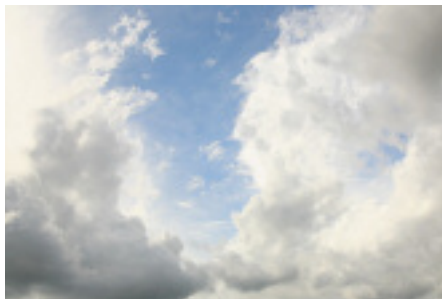

By Thomas Lieth

An important point where many Christians go wrong is that they hear the Word of God, but do not act on it. The writer of the letter to the Hebrews, inspired by God, emphasizes how important it is to heed the Gospel that has been entrusted to us.

15 **First Thessalonians 3 and the Rapture**

By Dr. Ron J. Bigalke Jr.

The coming of the Lord Jesus referenced in both 1 Thessalonians 2:19 and 3:13 is imminent, which is evidence of a pretribulational rapture. Events may occur prior to the rapture, but there are not any prophesied events that must occur. It is obvious that Scripture makes a distinction between the rapture and Christ's earthly coming at the end of the Tribulation.

By Wilfred Hahn

Just what is dogma, and is it good or bad? More often than not, the word "dogma" these days carries a stigma, implying calcified beliefs that are no longer tested. It is that type of dogma that we want to guard against.
